Attention: [REDACTED]

Re: Contract NO. SP-1913

Gentlemen:

Reference is made to my letter dated 2 August 1956, which authorized you to proceed with the design, manufacture and delivery of four F-309 Hatches.

This letter is to be considered as your formal authorization to increase by two (2) the quantity of the F-309 Hatches to be supplied. Therefore, the total quantity to be furnished is six (6).

Please advise this office as to the estimated cost of the additional two (2) F-309 Hatches.

Very truly yours,

25X1A
